USDA

Post-production video editing services for the 3Rs Symposium were completed ahead of schedule and within budget under a Firm Fixed Price, Full and Open competition—showcasing Barnby Solutions' speed and cost-effectiveness.

HHS OSDBU Office

Produced multiple short-form videos—highlighted the office's mission, exceeded small-business goals, and refined a strategic roadmap—boosting stakeholder engagement and elevating overall agency visibility.

HUBZone Contractors National Council

A suite of videos from pre- to post-production propelled membership recruitment, legislative advocacy, and program promotion. Audio-visual support for the Annual HUBZone Conference and additional initiatives reinforced the Council's impact.

Fortress Government Solutions/Information Security

Delivered complex development services, robust learning solutions (curriculum development, technical writing, LMS design/administration), powerful marketing collateral, & custom video production including 2nd tier sub to NAVAIR.
